The Honorable Jeff Miller  
Chairman, Committee on Veterans' Affairs  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Miller:

On behalf of the members and supporters of the National Association for Uniformed Services (NAUS), I am honored to pledge our full support for your bill, the Protect VA Healthcare Act, H.R. 3895.

Protecting the Department of Veterans Affairs (VA) from possible budget cuts due to sequestration in 2013 is of the utmost importance. Sick and disabled veterans should receive timely care when needed.

Full and uninterrupted funding of VA medical and other programs should not be compromised. Our brave men and women who served in uniform did their jobs for us and now we owe them a large debt of gratitude. Passage of your bill would greatly assist in ensuring their earned continuum of care.

We stand ready to assist you in any way possible to ensure that this bill moves forward expeditiously.

Thank you for your continued support of our active duty troops, veterans, their families and survivors.

Sincerely,
