Honorable Jeff Miller  
Chairman, House Veterans' Affairs Committee  
335 Cannon House Office Building  
Washington, DC 20515

Dear Chairman Miller:

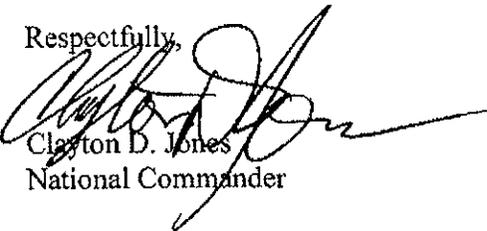

On behalf of the Military Order of the Purple Heart (MOPH), whose membership is comprised entirely of combat wounded veterans, I am pleased to inform you that MOPH totally supports two pieces of legislation that you have introduced.

The first Bill that we appreciate you sponsoring, and for which we are pleased to endorse, is H. R. 2433 "The Veterans Opportunity to Work Act of 2011." The second Bill is H. R. 2443 "The Tax Credit to Hire Veterans Act of 2011." Both of these Bills have one theme and that is to provide opportunities for veterans to enter the mainstream of American life and gain employment.

No other American deserves the opportunity to enjoy the full benefits of the American life than those that have sacrificed part of their lives so that all Americans can fulfill their goal of living the American dream.

Thank you for your leadership on these and other veterans' issues and you may count on the support of MOPH on this and any future legislation that recognizes the sacrifices of veterans and their families.

Respectfully,

  
Clayton D. Jones  
National Commander
