Dear Chairman Miller:

The Fleet Reserve Association (FRA) strongly supports the “Veterans Opportunity to Work Act” (H.R. 2433) that requires the Department of Labor to make payments to veterans engaged in specified re-training programs, expands veteran’s eligibility for the Montgomery GI Bill (MGIB), improves employment protections for the Reserve Component, and requires mandatory Transitional Assistance Program (TAP) attendance for service members leaving the military.

The Association appreciates your leadership on this important issue and stands ready to help ensure passage of this legislative proposal. The point of contact is John R. Davis, FRA’s Director of legislative Programs at the above numbers or (john@fra.org).

Sincerely,

JOSEPH L. BARNES
National Executive Director
